The quantification of the evaluation of the learning process will be performed with the following formula: **first evaluation x 1 + second evaluation x 1 + virtual presence x 1 + activities x 7**. This total will be divided by 10, generating the score of the student. That is:

Virtual Presence (1) – In all synchronous classes the presence will be registered and given a score (2 = present at the synchronous class / 0 = absent).

Activities (7) – Average of the 11 activities regarding every class and realized during the semester, according to the schedule.

Evaluations – There will be 2 tests according to the schedule.

Important considerations:

According to the resolution 17/CUn/97 – Chapter IV – Section I – Article 72 – The minimum approval grade is 6.0 (six point zero).

According to the resolution 17/CUn/97 – Chapter IV – Section I – Article 70 – § 40 – Grade zero (0) will be given to the student that do not attend to the evaluations or do not present the requested work.

According to the resolution 17/CUn/97 – Chapter IV – Section I – Article 74. The student that for a justified reason, do not attend to the evaluations scheduled at the plan, should formally order a substitutive assessment request to the Chief of the Department of the belonging discipline within **2 (two) working days**.
