EVALUATION SYSTEM

The quantification of the evaluation of the learning process will be performed with the following formula: **first evaluation x 1 virtual presence x 1 + activities x 8**. This total will be divided by 10, generating the score of the student. That is:

Virtual Presence (1) – In all synchronous classes the presence will be registered and given a score (2 = present at the synchronous class / 0 = absent).

Activities (8) – Average of the activities regarding every class and realized during the semester, according to the schedule.

Evaluations – There will be 1 test according to the schedule.

Important considerations:

According to the resolution 17/CUn/97 – Chapter IV – Section I – Article 72 – The minimum approval grade is 6.0 (six point zero).

According to the resolution 17/CUn/97 – Chapter IV – Section I – Article 70 – § 40 – Grade zero (0) will be given to the student that do not attend to the evaluations or do not present the requested work.

According to the resolution 17/CUn/97 – Chapter IV – Section I – Article 74. The student that for a justified reason, do not attend to the evaluations scheduled at the plan, should formally order a substitutive assessment request to the Chief of the Department of the belonging discipline within **2 (two) working days**.

REVIEW OF THE EVALUATION

According to the resolution 017/CUn/97 in Art. 73, the student can require to the the Chief of the Department a review of the evaluation, through detailed justification, within 02 (two) working days, after the disclosure of the result.

RETAKE TEST

According to the Resolution 017/Cun/97 in Art. 70 - § 2o – The student with enough frequency (FS) and average of the semester evaluation grades between 3.0 (three) and 5,5 (five point five) will be granted a new evaluation at the end of the semester.”

According to the Resolution 017/Cun/97 in Art. 71 - § 3º - The student in the case provided by § 2º Art. 70 will have his final grade calculated through the arithmetic average between the average of the grades of the partial assessments and the grade obtained in the assessment established in the aforementioned paragraph.
